MONDAY, MAY 16<sup>TH</sup>–FRIDAY MAY 20<sup>TH</sup> (NIGHT WORK BEGINS)  
NIGHT WORK FROM 6:00 P.M. UNTIL 6:00 A.M.; CONTINUING FOR THE NEXT TWO WEEKS.

**WHERE:** IN FRESNO COUNTY; FROM LAGUNA AVENUE TO HARLAN AVENUE

The California Department of Transportation (Caltrans) announces that Flatiron Construction has been awarded an asphalt overlay rehabilitation project along three miles of northbound and southbound State Route (SR) 41. In order to safely implement this project, a pilot car and flaggers are being utilized. Motorists will be subject to 15-20-minute delays within the project limits.

Portable Changeable Message Signage (PCMS) are in place along SR 41 advising motorists of the upcoming lane closures. **For the next three (3) weeks, motorists may expect delays in this area during this time and are encouraged to avoid this area or use an alternate route whenever possible.**

Scheduled closures may continue for a longer period of time if necessary; due to delays caused by uncontrollable events which may occur during construction.

Caltrans thanks the residents, businesses and commuters for their patience during this construction project. The public is asked to drive with extra care while traveling through this construction area and please **“Slow of the Cone Zone”**.
